# **YOUNG ADULTS ON A MISSION**

**The YOM curriculum provides a structured way to deliver sound leadership principles a youth can learn and practice for their personal growth on their way to develop and live in their full potential.**

7 leadership principles YOM offers:

1. **The Psychology of Influence:** The key to leadership is knowing how to influence others.
2. **Understanding Human “Being”:** Learning how to grow in emotional maturity.
3. **How to Discover Your Authenticity:** The question is—are you being the real you?
4. **How to Develop Your Authenticity:** Learning to write—or—re-write your own life script.
5. **How to Overcome Negative Voices in Your Mind:** Improving your ability for mind control.
6. **How to Dream Your Way to The Top:** Imagination is more powerful than knowledge.
7. **Destiny and The Power of One:** The magic of one person's vision to meet the community need.
